MEMO: INSETA SYSTEM INTERRUPTION

INSETA is in the process of procuring MIS and ERP systems. The systems currently being used by INSETA will be interrupted from 28 November 2020 until new service providers are appointed.

Kindly ensure that:

1. all learner information is uploaded onto the system by 23 November 2020.
2. invoices must be submitted to INSETA for processing by 20 November 2020.

the following processes will be interrupted:

1. Verification of learner qualifications for employment purposes
2. Confirmation of learner credits and downloading of Statement of Results
3. Employer and SDF registrations on the Skills system
4. WSP and ATR submissions

INSETA will advise the sector once the system functionality has been restored.

Yours in Skills,
INSETA Executive Management
