

## Support of Cooperatives

Insurance Sector and Education and Training Authority (INSETA) is inviting organisations that are operating in the space of Cooperatives to submit proposals for supporting INSETA in facilitating the implementation of Cooperative Support Outcome. This is a critical outcome for the organization which seeks to enable cooperatives to thrive within the insurance and related services sector.

The proposal must support INSETA with the following:

1. Coordination and mobilization of Cooperative entities nationally for capacity building.
2. Recruitment of Cooperatives to attend skills development initiatives that are funded by INSETA.
3. Collating documents required by INSETA for implementation of the learning programme.
4. Coordination of learning interventions by INSETA for Cooperatives in financial and related services sector.
5. Preparing the progress and closeout reports for the Cooperatives Support Outcome.

Closing date for submission of proposals is 08 March 2022. All proposals must be sent to [workerprogrammes@inseta.org.za](mailto:workerprogrammes@inseta.org.za)
