

The Future Is Here. Is Your Business Ready?

**YOU ARE INVITED TO BE A PART OF AN INSIGHTFUL LEARNING JOURNEY TO AND
MANAGE AND GROW YOUR BUSINESS**

Insurance Sector Education and Training Authority (INSETA) invites you to take part in a new exciting Small Business Management Programme designed to make the challenges set by the business and regulatory environment easier for the business owner by providing them with the necessary information and knowledge they will need to operate and manage a successful and profitable business that is sustainable in the economy and contributes to overall improvement.

This practical programme will be presented by Enterprises University of Pretoria (Enterprises UP), a well-known training and research service provider. Through its highly skilled experts, the programme will be delivered virtually.

This one-of-a-kind programme will cover a variety of topics, including:

- How to develop and establish sustainable entrepreneurial ventures
- Ensuring that project quality expectations are being delivered according to agreed measurable frameworks
- Provision of project management capacity
- Measuring the impact achieved
- Compilation of project initiation documents, project specification documents and monthly checkpoint reports
- Project administrative support and account management

To qualify your business must:

- Be a registered FSP in Gauteng whose core business falls within the INSETA scope and who have submitted a WSP and ATR for the current financial year.
- Be willing to nominate a representative that will put aside time and commit to take part and complete the course at the University of Pretoria
- Be an INSETA registered employer SMEs (levy or non-levy paying)
- Be in business for 12 months or more

Registration dates: 14 - 29 March 2022
