TENDER-/INS/2022/01003 - PROVISION OF PROJECT MANAGEMENT TURNKEY SOLUTION: OFFICE FITOUT, OFFICE RELOCATION FOR INSETA

OFFICE RELOCATION FOR INSETA.

1. Question:

Do we have to submit a floor plan that has been costed and included in the rental? i.e. full turnkey? It is very difficult from the document to understand what is expected.

Would it be fine, if and when the tender is awarded, we provide space planning at that time and do the space planning at that stage?

2. Answer

No. Floor plans will only apply post tender award for this specific request and once the lease has been secured. The basis of costing maybe a 'rate per m2' as contemplated in Annexure A – The Pricing Schedule of the subject Bid Document.
