INSURANCE SECTOR EDUCATION  
AND TRAINING AUTHORITY

INSETA Intermediary Development Programme aims to support the growth and development of black owned SMEs brokerages of the insurance sector and related sub-sectors in order to expand the pool of scarce and critical skills as well as address the issues of sustainability facing the sub-sector. We aim to achieve this by supporting the development of brokers to create maximum shared value for industry brokers and society as well as ensuring the growth and sustainability of brokers by providing best practice business development support.

That's **why you are invited to the information sharing session of this exciting programme which will be delivered virtually.** The programme reaffirms INSETA's commitment to promote meaningful transformation by developing high-growth potential brokerages with the ability to leave lasting impact, and we'd love for you to be part of it.

In this session, we will cover the following key points;

- ✔ Introduction to the programme: You will receive a detailed briefing on what the programme is about and what it entails.
- ✔ Programme in action: You will have the opportunity to hear directly from past programme alumni as well as current programme participants about their experiences and what they have gained from the programme.
- ✔ Programme anchors: You will also hear from our mentors and other individuals who are involved in the running of the programme, who will provide insight into how the programme is structured and what kind of support you can expect to receive.

**The session will take place on March 16th, 2023 at 10:00 AM. We look forward to seeing you there!**
