Notice to Stakeholders (SDPs, Employers & Candidates)

RE: POSTPONEMENT OF EXTERNAL INTERGRATED SUMMATIVE ASSESMENT (EISA) DUE ON THE 06TH DECEMBER 2023

INSETA is a delegated quality partner with the Qualification Council for Trades & Occupations (QCTO). The delegated authority includes INSETA assuming the responsibility to manage the implementation of EISA's.

The EISA management process includes:

1. INSETA approving EISA learner packs received from Skills Development Providers.
2. INSETA preparing the EISA notification for approval by QCTO to run the EISA.
3. INSETA developing EISA instruments through appointed Subject Matter Experts.
4. Verifying, validation & approval of EISA instruments by INSETA/QCTO.
5. INSETA identifying accredited EISA assessment venues to host the examinations.
6. Supervision (invigilation services) of examinations by trained invigilators.
7. Appointing suitable Subject Matter Experts to mark and moderate examination scripts.
8. INSETA scheduling a memo discussion with appointed markers to commence marking.
9. INSETA approving script marking reports and the adoption of script marking outcomes.
10. INSETA compiling a report to motivate for the certification/final results approval by QCTO.

Due to a number of factors, some of the processes above were delayed and thus necessitating the postponement of the scheduled EISA. INSETA will be notifying QCTO of the postponement of the December 2023 examination.

The postponed EISA will thus be written on **19th January 2024** – candidates will receive learner permits confirming the examination logistics. INSETA apologises for the inconvenience caused
