MANDATORY GRANTS APPLICATION WINDOW IS NOW OPEN FOR 2024/2025 FINANCIAL YEAR

According to section 4 (4) of the Skills Development Act of 1998, 20% of the total levies paid by the employer during each financial year will be paid to the employer who submits a compliant WSP/ATR which is approved by the SETA.

INSETA hereby invites all registered employers to submit their Workplace Skills Plan (WSP) and Annual Training Report (ATR) for 2024/2025 financial year, to claim the 20% mandatory grants for levy paying employers. This prerequisite will qualify all employers to apply for discretionary grants. Employers must submit their applications on the INSETA Management Information System (MIS) On or Before **30 April 2024**.

No late applications will be accepted.

Newly registered employers with the South African Receiver of Revenue (SARS) who have registered between January - June each year may apply to claim their mandatory grants by submitting a WSP/ATR within 6 months of registration.

Dormant employers who have not traded for a period of six months are entitled to submit an application for mandatory grants rebates providing all levies are up to date.

Employers who seek assistance with the submission of the WSP/ATR may contact any of our Sector Skills Facilitators (SSFs). A list of SSFs with contact details can be found on the INSETA website.
