Are you a South African learner seeking international study opportunities?

Insurance Sector Education and Training Authority (INSETA) in partnership with the Local Government Sector Education and Training Authority (LGSETA), invites learners who completed matric prior to 2024 to apply for an exciting opportunity to study towards a Diploma or Bachelor's Degree in China (With specific focus on Cross Border E-commerce, Internet of Things Application Technology, Computer Technology and Application of Artificial Intelligence Technology).

This initiative aligns with the LGSETA and INSETA Annual Performance Plan targets, contributing to South African youth skills development and employability.

Who can apply?

To qualify for this incredible opportunity, applicants must meet the following criteria:

1. South African citizens.
2. Must have completed matric prior to 2024 (no restrictions on the number of years post-matric).
3. Unemployed at the time of application.
4. Aged 18 to 25 years.
5. Willingness to commit to the full programme duration in China.
6. Ability to adapt to a new cultural and academic environment.
7. No criminal record.
8. Medically fit for international travel (HIV, TB and Syphilis negative) according to the rules of the People's Republic of China. A medical exam will take place before departure to China.
