

INSETA SMME CAPACITATION WORKSHOP

Calling all INSETA and FSCA registered businesses!

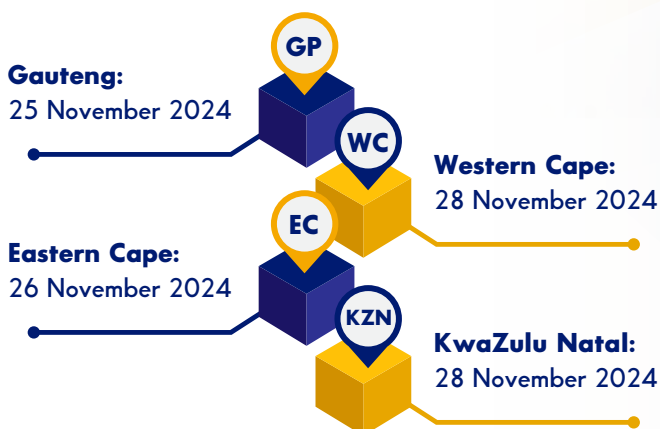

INSETA is excited to announce that it is hosting workshops dedicated to Small Micro Enterprises with (1 to 49) employees.

The purpose of these sessions is to provide a comprehensive understanding of all INSETA offerings and how organisations can benefit from aligning themselves with us.

The workshop is aimed at capacitating stakeholders on the following:

- Discretionary grants application process & implementation
- Discretionary grant compliance requirements
- INSETA SME Support Programme

Workshop dates and provinces:

Venues will be communicated to those who have RSVP'd

Virtual:

**Virtual session
(via Ms Teams):**

5 December 2024
